Company, to a Brooklyn client for occu-

the day's balloting. The returns began to come in early, not only from the city and State but from Massachusetts and Pennsylvania, where among other things woman suffrage was also at stake.

Moving pictures, interspersed with the election results, also enlivened the time for those who watched the builetin of THE SUN. The crowd was impartial, to all appearances. Whether suffrage won or lost, gained here and was defeated there, seemed to be of little moment. Similar scenes were reported from all parts of the city, and because of the pleasant weather it was estimated that more persons turned out on the streets last night than at any other "off year" election.

Cowan, had lost their usefulness under Rebeit the witness said:

"I wanted to find out who were the prime movers in the attack on Cowan. The Lionel Manufacturing Company. M. A. Cowen president, has bought from the Standard Building Block Company a plot 225x225 on the west side of South Twenty-first street, 350 feet south of Clinton avenue, in the Irvington section. The property has a Lehigh Valley Raillands and in hand."

In answer to another question along a two story mill constructed concrete building to be ready next February. The lift was correct I thought two or three scalps should be taken. I was informed that Goodier had said that he would drive them out of the service."
